

## REPORT ON GUEST LECTURE ON “MISSION CHANDRYAN”

Guest lecture on “**Mission Chandryan**” was organised on 16 November 2013 at Abha Gaikwad-Patil College of Engineering for the faculty and students of Department of M.Tech, Computer Science & Engineering. Dr.T.G.K.Murthy, Former programme Director and Scientist, Indian Space Research organization (ISRO) gave the introductory speech. In his speech, he briefed the faculty members about how Dr Vikram Sarabhai started ISRO and also shared his experiences.

He shared the information about Chandrayan-I mission through a video presentation by Dr. Mallika Sarabhai. He focused on importance of youth in the field of science and technology. He also told how institution brings innovation and innovation leads to creativity.

Occasion was graced by the presence of management, Principal, Dean Academics, and HOD M.Tech (CSE) Prof. Pragati Patil.
