

Department of Electrical Engineering

Programme: - National Science Day

Date: - 28th February, 2018

Venue: - Seminar Hall, Electrical Engineering Department (Room No-220)

Details of the Participants: - Inter Collegiate Students of B.E Final Year

Programme Co-ordinator: - Mr. Radharaman Shaha

Co- Coordinator: - Ms. Tejaswini Honade

Core Committee Members:-

Staff	Student
Mr. Radharaman Shaha 8888898625	Mr. Nitin Awadhane (President) 8600816733
Ms. Tejaswini Honade 8329471028	Ms. Pratiksha Athawale (Vice-President) 7972970221

Aim:-

To Celebrate National Science Day

Objectives:-

1. To involve the students in remembering the inventions done by the Scientist of our country by celebrating the National Science Day as the birth anniversary of one of the great scientist Dr. C.V.Raman who discovered the “ Scattering of Light Effect” also known as Raman Effect.
2. To make the students demonstrate the working models of the project prepared by them in their curriculum examination.
3. To bring out the creativity within the students in the form of poster presentation.

Department of Electrical Engineering

4. To make aware to the students about the recent industry trends in the Renewable Energy Sector.

Methodology:-

1. Address to the participants by Chief Guest.
2. Keynote Address by the guest of honour in the area of Renewable Energy.
3. Display of the Project Presentation by the inter collegiate students.
4. Display of the Poster Presentation by the inter collegiate students.
5. Felicitation of the Winners of the events mentioned in point no.4 &5.

Outcome:-

1. At the end of the event, the students will be aware of the importance of celebrating the National Science Day.
2. The participants will get a chance to know the latest trends which are being followed in the renewable energy industry.
3. The participants will be able to show their creativity through the working models and the posters prepared by them.
4. The participants will get a chance to interact with the inter collegiate students and will know what other participants think in this direction.

Program Co-ordinator

Glimpas of Event:-

Hon. Chief Guest with the Management Members

Welcome to Hon. Chief Guest Dr. V. B. Sapre

Students of various colleges representing their Projects

Students of various colleges representing Paper Presentations

Prize distribution ceremony
