

REPORT ON ONE DAY WORKSHOP ON RESEARCH PAPER WRITING

One day workshop on Research Paper writing was organised by department of M.Tech. Computer Science & Engineering at Abha Gaikwad-Patil College of Engineering for the students on 1st March 2014. Dr. Rajashree Raut, Dean R & D, R.O.E.M., Nagpur was invited as the guest speaker for conducting the workshop.

Importance of Research work and the purpose of writing technical research papers were the topics discussed at length. She also gave emphasis on the need of doing literature survey and the approach to be undertaken while performing research work.

Program was organized under the guidance of Prof. Pragati Patil, Head of the Department of M.Tech CSE. The faculty members of the department and the M.Tech first year students worked hard for making the event successful.
